- online (only for foreign participants) – presentation with a report via ZOOM (with publication of the paper in the conference proceeding / without publication).

#### 6. Terms of Participation:

All participants must send the Application Form to be included into the Conference programme and to have the article published in the conference proceedings' collection.

The Application Form can be filled out either on University's official site <https://kdu.md/ru/>, Registration Form <https://forms.gle/FLPF7ZM6qPxA4MMK8> or via QR-code:

## 7. Timeline

07.03.2025. – 04.04.2025.	Acceptance of applications for participation in the conference
07.03.2025. – 6.04.2025.	Acceptance of the articles for publication
08.04.2025.	Sectional session
06.04.2025. – 08.04.2025.	Assessment of contest works by an expert commission
08.04.2025.	Awarding the winners of the contest
10.04.2025. – 30.04.2025.	Mailing the conference proceedings' materials

## 8. Publication Requirements:

### 1. Application

Filled out google-form <https://forms.gle/FLPF7ZM6qPxA4MMK8>

2. The article (see *Appendix*) (in case of participation with publication of the paper in the conference proceeding)

File name: Section number № Author's Surname\_ article; For example: 4\_Uzun\_article.

The submitted materials must correspond to the main thematic areas of the conference. The authors are fully responsible for the content of the articles. The text of the article must be carefully examined by the author and supervisor and checked for plagiarism. The originality of the text of the paper must be **at least 65 %**.

## 9. Requirements for the Article Design

Materials must be prepared in the text editor Microsoft Word for Windows. The volume of work is 4-5 pages. Page format – A4. Page orientation is portrait. Margins: left, right, top, bottom – 2 cm. Font format: size – 12; type – Times New Roman; line spacing – single, red line 1.2 mm. Separating red lines with tabs and spaces is not allowed.

- **INDEX** according to the universal decimal classification (UDC) (point size 12, left aligned),
- **ARTICLE TITLE** (in capital letters, bold, aligned to the center of the line);
- in a line – **the author's surname and initials** (in bold italics, right-aligned);
- on the next line – the abbreviation of the academic group; on the next line – the student's E-mail;
- on the next line – the initials and surname of the scientific supervisor, indicating the position, scientific title and academic degree (in italics, right aligned);
- on the next line – the abbreviated official name of the educational institution, locality (in italics, right aligned);
- next line is followed by Abstract in English,
- below – Key words in English;
- next – the text of the article follows every other line.

Do not use subscripts, headers or footers in the text. In the text, you should distinguish between dashes and hyphens.

The bibliographic list is required and is placed at the end of the article after the subtitle Bibliographic (Reference) list, numbered without using automatic numbering. References in the text should be in square brackets to the corresponding source of the bibliographic list, for example [1]. The use of automatic pagination links is not allowed.

## **10. Requirements for the Contest of Students' Works**

The submitted articles must correspond to the main thematic areas of the conference.

The contest work must **correspond to the structure** of the scientific work and include the following elements:

- Output data of the article (formatted according to the sample, see *Appendix*);
- introduction (describes the relevance of the topic, purpose, objectives, object and subject of research, practical and/or theoretical significance of the results);
- main part (contents of the work);
- conclusion (contains the main conclusions that the author came to during the research process);
- bibliographic (reference) list (the text of the work must contain links to each scientific source indicated in the bibliographic list (the reference number corresponds to the serial number of the source in the list of references)).

Submitted materials (contest articles) will be presented for discussion to the organizing committee, which reserves the right to select materials.

Participants whose competition works have received a positive assessment from the organizing committee will be allowed to make a report.

## **11. Works are assessed for compliance with the following requirements:**

1. Compliance with point 9. Requirements for publication format
2. Compliance with point 10. Requirements for contest work
3. Relevance of the study
4. Level of presentation of the report (speech)
5. Level of presentation of the report

If the article is accepted for publication within a week, the author is notified via the email specified in the application.

Articles sent after the deadline will not be accepted for consideration.

## **12. Contact Information**

### **Contact Information:**

3801 Comrat, Comrat State University, Galatsana, 17

Faculty of National Culture

Phone: (373) 298-2-51-65, (373) 68068990.
