WHAT IS A MUN CONFERENCE?

A Model United Nations (MUN) is an educational simulation of the UN System where students can learn about diplomacy and international relations. During a MUN Conference, students work as delegates at the UN, to solve specific problems together with other international delegates. MUN teaches participants research, speaking, debating, and writing skills, along with critical thinking, teamwork, and leadership abilities. It is meant to engage students and allow them to develop deeper understanding into current world issues.

BUILD YOUR FUTURE WITH CHANGE THE WORLD

Change the World Emirates is not just a Model UN Conference, but a unique training experience addressed to high school and university students. The new educational package gives you the opportunity to range from multiple types of content and innovative training experiences, always combining theory with a large number of practical working sessions. The training program includes:

MUN TRAINING

Get yourself prepared with the help of our tutors and acquire all the skills you need to play the role of Ambassador to the United Nations. An online effective course consisting of 3 two-hours teaching sessions through Zoom webinars.

MASTERCLASSES

CW E-LEARNING

VIRTUAL MUN®

The 4-days warm-up event is meant to let you practice the mechanics of the Conference. The working sessions for each Committee will take place in real time through Zoom and Facebook Workplace. It is a fun and highly interactive experience.

BRITISH ENGLISH - OFFICIAL LANGUAGE

The entire training activity -training course, meetings and preparation material- is held in English. English is also the only official language of the CWMUN event. It means that all debates and interactions between students must necessarily take place in English. The use of any other language is not allowed.

THE EMIRATES EVENT

Change the World Emirates is a very special event. Among its most popular features is that the experience takes place in two different locations. The MUN working sessions are held in Abu Dhabi on the beautiful NYU campus. At the end of the conference, participants can then move to Dubai and enjoy the wonders of the city. Visiting the Emirates is not just about admiring the iconic skyscrapers and luxurious beach resorts: the UAE is also an excellent place to observe global cultural trends.

WORKING SESSION & NYU ABU DHABI'S CAMPUS

CWMUN working sessions are normally held in large dedicated spaces (conference centres, hotels, etc.) that allow participants to work with their peers in the various committees. But since its foundation, the Change the World MUN Emirates working sessions have been held at the Saadiyat Island Campus of New York University in Abu Dhabi, a modern university campus whose architecture reflects three identities: Abu Dhabi, New York and the world. The Campus and its facilities are the perfect place to welcome students from all over the world
