

## INFORMATION LETTER

DEAR COLLEAGUES!

Department of Pedagogy and Psychology, Comrat State University

We invite you to take part in the II International Scientific and Practical Conference

### "Scientific and Educational Space: Realities and Prospects for Improving the Quality of Education"

The conference will take place on **December 16, 2022** at Comrat State University. The discussion will be focusing on fundamentals and applied aspects of improving the quality of teaching in the system of general education and higher education.

The main purpose of the conference is the exchange of scientific and practical experience, ideas and opinions on research in the field of pedagogy, psychology, general and special didactics and applied disciplines.

The activity of the conference is organized in the following areas / sections:

#### Main subject areas:

1. Modern pedagogical technologies in personnel training.
2. Improvement of professional activity, formation of specialist competence.
3. Modern models for assessing the quality of the educational process.
4. Development of interdisciplinarity ensuring the quality of the educational process.
5. Information and educational environment as a tool for improving the quality of education.
6. Quality of education and innovative learning techniques.
7. Non-formal education and lifelong learning.
8. Intercultural education in the context of the modernization of education.

**Section 1. Conditions and prospects of general education in the context of innovations**

**Section 2. Training and professional development of teaching staff in a multicultural educational space.**

Official languages of the conference: *Romanian, Gagauz, Russian, Bulgarian, English.*

The format of the event is mixed: face-to-face with the possibility of remote connection.

The following participation options are available:

- oral presentation with publication of materials;
- oral report without publication of materials;
- participation without a report (listener).

**Participant certificates.** Participants who submitted reports will receive a certificate of the speaker (e-format). The listeners of the conference who filled out the application for participation will receive a certificate of the listener (e-format).

**Collection of conference materials.** Materials that have successfully passed the review are published in the e-collection of scientific papers of the conference. The requirements can be found

in **Appendix 1**. All materials are checked in the Antiplagiarism system. The originality of the text is not less than 70%. The size of the article is maximum **6 pages**.

### **The terms of participation**

In order to be included in the conference program and publication of reports, you must submit an Application for participation. The application can be submitted either in the registration form on the official website of the Comrat State University <https://kdu.md/ru/> registration form <https://forms.gle/WD9X2zSywDrTdfg3A> or by QR code:

Submission deadline: until **December 10, 2022**

You can send the articles to: [confped22@gmail.com](mailto:confped22@gmail.com)

The authors of the articles are responsible for the content and literacy of the materials provided.

The number of articles from one author (co-authors) is limited to one publication.

Participation in the conference and publication of materials is free.

As a result of the conference, a collection will be published. The collection is assigned an international ISBN index.

To the attention of non-resident participants: the participant bears the transportation costs.

### **Contact Information:**

3801 Comrat, Comrat State University, Galatsana, 17

Tel: (373) 298-2-43-45, (373) 68068990.
