

**Ministry of Education and Research Comrat State
University Faculty of Economics
Department of Accounting and Finance**

WORK PLAN OF THE DEPARTMENT

**ACCOUNTING AND FINANCE
for 2021-2022 academic year**

Approved at the meeting
of the Department Minutes No. 2
dated 09/28/2021

Head Department of Accounting and Finance Master
of Economics, Lecturer
Sviridenko L.A.

Comrat 2021

1. BRIEF ANALYSIS OF THE RESULTS OF THE DEPARTMENT FOR 2020-2021 AND WORK PLAN FOR 2021-2022 ACADEMIC YEAR

The faculty of the Department of Accounting and Finance for the past 2020-2021 academic year was staffed by 11 people, all of them are full-time employees. Including with academic degrees 6 people out of them 1 acting. professors and 5 university conferees.

The average age of teachers of the department for the past year was 46 years.

In the 2020-2021 academic year, 8435 hours were planned at the department, of which 8554 hours were actually completed. Deviation + 119 hours is due to the movement of the contingent.

Teachers of the Department of Accounting and Finance actively carry out activities in the direction of teaching, research, organizational and educational activities. The Department of Accounting and Finance supervises the scientific research of undergraduates of the department, as well as manages licensed works. At the same time, the staff of the Department are scientific supervisors of student articles. In own conference collections of the faculty and the university, as well as in scientific events outside of KSU.

8 teachers of the department have diplomas on the passage of the Psycho-pedagogical module.

During the past year, the staff of the department took part in trainings with entrepreneurs in the region.

The contribution to the development of the potential of the Department of Accounting and Finance is made by the work of the scientific center of the National Research Center "Progress" under the guidance of Professor Parmakli D.M., in whose activities Todorich L.P., Dudoglo T.D. take an active part.

The teachers of the department are members of the working group on the development of national, regional programs and development strategies, for example, on the development of the Strategy for the Development of Education of the ATU of Gagauzia.

In 2020-2021, the department successfully passed accreditation for the 2nd cycle of education under the "Corporate Finance" program, and also submitted documents for authorization of the master's program "Accounting and audit in economic sectors".

Taking into account the above, as well as taking into account the goals and standards in the field of higher education, the following tasks were set for the 2021-2022 academic year:

1. Improving the quality of the educational process;
2. Development of the scientific potential of the department;
3. Improving the methods of educational work;
4. Expansion of the range of events organization;
5. Expansion of the participation of the department in project activities;
6. Strengthening the career guidance of the department;
7. Preparation for passing accreditation for the 1st cycle of specialties Accounting and Finance and Banking
8. Passing authorization under the program of the II cycle "Accounting and audit in sectors of the economy".
