

RESOLUTION

of the 5th International Scientific and Practical Conference
“Scientific and Educational Space: Realities and Prospects for Improving the Quality of
Education”
Comrat, November 7, 2025

The 5th International Scientific and Practical Conference “Scientific and Educational Space: Realities and Prospects for Improving the Quality of Education”, held on November 7, 2025 at Comrat State University, brought together scholars, lecturers, researchers, and specialists in pedagogy, psychology, philology, history, culture, and regional studies from Moldova, Romania, Bulgaria, Russia, Türkiye, and other countries.

Based on the results of the conference, the following resolution was adopted:

The conference served as an important scientific platform for discussing pressing issues and modern approaches in the field of education and regional studies.

1.2. The work of the sections allowed participants to present research results, exchange experiences, and outline promising directions for scientific cooperation.

The significant contribution of Comrat State University to the development of scientific collaboration, support for young researchers, and promotion of national culture was especially highlighted.

2. Section Conclusions

Section 4. History, Ethnology, and Regional Studies

the importance of studying the cultural, religious, and historical heritage of the region;
the necessity of intercultural and interethnic dialogue;
support for projects aimed at researching and preserving national identity.

Recommendations

1. Continue international scientific cooperation and expand the participation of foreign partners.
2. Promote the development of research among young specialists.
3. Intensify the exchange of methodological materials, analytical studies, and pedagogical innovations.
4. Include in the faculty’s work plan the development of joint educational and scientific projects.
- 3.5. Ensure the regular publication of conference materials and continue the release of thematic collections.

4. Decisions

consider it appropriate to hold the next 6th International Scientific and Practical Conference in 2026;

instruct the organizational structures of Comrat State University to prepare proposals on the topics and the program of the next conference.

5. Gratitude

The Organizing Committee expresses gratitude to the leadership of Comrat State University, the scientific and organizational committees, the section moderators, all conference participants, and partners who supported the event.
